Professional Summary

Professional music producer and composer with 10+ years of experience in K-pop, Gospel, and contemporary music production. Holds a Master of Arts in Songwriting and Production from Berklee NYC. Strong background in melody composition, arrangement, and multi-genre production across 40+ commercial releases. Experienced in full production workflows from concept through final master using Ableton Live, Logic Pro, and Pro Tools.

Education

Berklee NYC | *Master of Arts in Songwriting and Production* | 09/2024 - 06/2025 | New York, NY

Seoul Institute of the Arts | *Bachelor of Arts in Applied Music* | 03/2014 - 02/2018 | Ansan, South Korea

Music Industry Experience

Clef Company / KSS Music | *Music Producer, Songwriter & A&R* | 2025 - Present | South Korea

- Lead end-to-end production for K-pop tracks and Drama OSTs across 40+ commercial releases, overseeing the full cycle from artist development through broadcast-ready mastering.
- Identify and develop emerging artists, providing creative direction on musical identity, repertoire selection, and sonic positioning within the Korean market.
- Execute high-level songwriting (lyrics and topline), arrangement, and production across multiple genres, aligning creative output with each artist's long-term vision.
- Coordinate pre-production, production, mixing, and mastering, managing timelines and budgets to deliver projects on schedule.
- Contribute as session Keyboardist and Bassist, integrating organic performance into digital productions.

Freelance | *Independent Producer & Artist Developer* | 2018 - Present | South Korea / USA

- Discovered and developed Korean male ballad artist Kwon Minseong following an initial encounter at Coolheadwarmheart, subsequently co-producing and releasing 5+ singles together from the ground up.
- Led all aspects of artist development for Kwon Minseong including creative direction, musical identity, album design, and release strategy, functioning as both producer and de facto A&R representative.

- Produced GIFT EP for Berklee and NEC-trained drummer and recording artist Jud Kim, overseeing full creative and production process from concept to final master. Recruited 2x Grammy-winning New York-based producer and engineer Josh Giunta to the project, coordinating his involvement and collaboration on the mix.
- Maintained active network of relationships with artists, managers, and industry professionals across Korean and US markets.

Additional Experience

Washington Institute of Music and Arts | *Music Production Instructor* | 2022 - Present | VA

- Instructed courses in MIDI Production, Jazz Piano, and Ensemble Performance, developing curricula for beginner to intermediate students.
- Integrated MIDI sequencing, MTR, and sampling into the institute's showcase program, modernizing a previously live-only format.
